AN ENGRAVED BESTIARY

ILLUSTRATIONS BY JULIA CHAUSSON

Themes: animals, engraving

Once upon a time, there was an exhibition with the shape of the Ark of Noah ... There was once a magician who made wood arise from a host of animals ... And Jack and crack ... From a tiny fly to a huge whale, from the three Goldilocks' bears to the pipe snake, let's discover this amazing menagerie with poetic accents! Children will learn about the technique of woodcut. In a short film, Julia Chausson opens the doors of her studio.
