

# Custom exhibitions

## Buy your exhibition!

Today, Galerie Robillard is one of the main places for exhibitions, exchanges and meetings around illustration. Since its beginnings and through its various activities, it has brought illustration to life beyond the borders of books for the pleasure of professionals and amateurs.

**Did you know that we can also design your own custom exhibition?**

### Why ?

Build up a reference fund, organize your own events, bring a book to life in a different way, educate your audience about illustration ...

### Who ?

An art library, a media library, a departmental library, a museum, a school, an association, a cultural center ...

### What ?

Small or large exhibitions, all turnkey, ready to be visited (supervision and tour guide included), from a large choice of illustrators

### How ?

We discuss your desires, in terms of artistic universes and / or themes, and we make several proposals, adapted to your budget; we then take care of the entire design: all you have to do is enjoy your exhibition!
